

# *Time & Seasons*

**Ecclesiastes 3:1** - For everything there is a - season and a time - for every purpose under heaven!

There is a difference between times and seasons! One is a moment and one is a duration! **So - what has your attention - your focus?** This is extremely important - **Why?** Because where your focus goes the power flows! **In fact - the discipline of focus you impose upon yourself in these times will determine how your season plays out!**

**Let me give you an example** of what God has told me to tell you - that the leadership in America is going to do everything it can **to get your focus on the monkeypox virus!** That those who are in power - not just politically - but those who control the politics are going to try and control you through the fear of this virus - with possible lockdowns and worse! **But God says - it is all a lie - that there is nothing to be fearful of - unless you are a homosexual** - and that you should not take shots for this! Because they will be harmful to you in the long run! Who's report are you going to believe - God or Man? **What will your focus be on?** What's happening in the world - or in the Kingdom of God! Your focus will determine your season!

But let me get back to explaining the difference of time and season! Anyone who knows the game of basketball knows that time governs the plays in a basketball game while seasons - represent the team's win/loss record! You would say - how did your team do this season! NOT - how did your team

do this time? So - let me ask you - how are you going to do during this season? **What do you need to do better - in this season?**

**If you allow your focus** to be on the real time of worldly events - monkeypox - reporting on political issues - economic concerns - shortages - inflation... they're just going to keep on increasing by the moment - and they will overwhelm you! And if you continue to allow that you will lose the season that God wants you to experience!

Everything that our 5 speakers said - that God told them - can be put in 3 categories! Which are Times - Seasons - and Dimensions! We need to discern the time and season we are in! We need to focus on what God is doing and saying and seeing things from God's perspective, not seeing things from the world's perspective! Speaking out - what God reveals - through prophetic discernment because it has the power to heal and deliver!

Four Greek words - referring to time used in the New Testament! **Aion** - eternity - everlasting - world without end - referring to the eternal nature of God - who created time! **Chronos** - normal passing of time days to weeks to months to years! Chronological time! **Kairos** - the right time - an opportune time - a set time! **Hora** - the now time of God - an hour - a season - a specific set time or moment!

Most of our daily lives are spent in Chronos doing our daily activities! When Chronos time is delayed things can shift through a **kairos moment - described as a suddenly!** God has been preparing us in chronological time which is a process of growth and change! We are not losing or wasting time but investing! We walk through these processes and then we come to a Kairos moment when heaven and earth converge! It is the right time and place to receive God's favor - breakthrough and refreshing or revival!

January 2, 2022 God said he wants to start a fire in our heart and with that fire - God will bring a revival to this church! But the requirement for

having revival - was based on the condition of getting that fire in your heart - whereby you must seek God with all your heart - soul - mind and strength - and that you must become a true worshipper! Go back and listen to that word - to see how God confirmed it in the July 3rd word from God - through Bishop Ellis!

The following verse shows us - how Kairos - the right time – an opportune time - and Hora - the now time of God - an hour – a specific set time - or moment - it shows us how they are connected! Romans 13: 11-14 - And do this - knowing the time - (Kairos – an opportune time) - that now it is high time - (hora - a specific set time) - to awake out of sleep - for now our salvation is nearer than when we first believed! The night is far spent - the day is at hand! Therefore - let us cast off the works of darkness - and let us put on the armor of light!

We are to awaken - anticipate - and advance! Awaken to purpose - awaken to revival - and awaken to worship! Now is the time - to Praise Him as taught in Psalms 95 - because our praises enthrone God and dethrone the enemy! But how can we do that - if you're not present in the specific time - for praising Him? God is calling us to awaken to our identity as Zion! We are Zion which represents the place - that God has chosen to dwell! His presence - power - splendor - and His glory - is there! It is a place of abundant provision - salvation - and Blessing - according to Psalms 132:13-16! And Psalm 102:13 says - Awake Zion and contend for revival! You will arise - and have mercy on Zion for the time to favor her - yes - the set time has come! Are you getting this?

We are to anticipate - and get ready - and to be prepared - for a tremendous outpouring of His Spirit - bringing in a great harvest of souls - through revival! How are we to get ready? Repentance is the first step - because we have become like the world! We have left our first love and become self-centered! He is calling us to humble ourselves – pray - and seek His face - and repent - so that He can bring us - into the next step! He comes with a suddenly Season - with an outpouring - of His Holy Spirit and miracles -

signs - and wonders - bringing revival to us! And He confirmed on July the 3rd - that God has purposely moved us into this building - so that He could - Come to us - not to visit - But to dwell - How? **In Revival - IF - we would meet His requirements!** And every speaker - confirmed that God wanted us to come into a revival of God's presence - and gave us specific requirements of what God was demanding of us for His coming to dwell with us in revival!

That God would do something new that we had never seen before! **IF -IF- IF-IF-** we will Fast - **IF** - we will Pray - **IF** - we will intercede for one another - **IF** - we will bring people on the Lord's Day every Sunday - Sunday after Sunday - **IF** - we will create a new sound of praise that we do not now have - **And IF** - we will have an intensity of celebration - that we do not have now - **and IF** - we will now move into another dimension - of worship - that we are not in now! **That requires all of us to come up higher in God!**  
The issue is - will we do - not just hear - but will we do what God is requiring us to do? **And let us not forget** - that the enemy - **IS** - going to put increased pressure on us to try and deceive us to try and curse us to try and rob us of our inheritance - and to stop us - from fulfilling God's purpose of revival for us in this season and time! **God does not want us to be unaware of his tactics!** We must be believers - who walk according to the Word of God and by His Spirit - and His commands - so that we do not fall into deception - and fulfill the commandments of men rather than the commands of God! **Are you ready for Change?**

Then you have to be ready to pay the cost to not just hear but more importantly - to Do these specific requirements by God - whatever it takes - whatever you have to change - in your habits - or behavior - your routines - your schedules - or even your priorities - and how you think - so that you willingly obey what God is demanding of us - for His coming to dwell with us in revival! **Again let me repeat** - He is requiring specific things from us - where we cannot give Him excuses - and exceptions - but we must be willing and obedient - if we are going to eat the fat of the land in this season that God wants us to have in Him! **Are we clear about this?**

And it is these specific things - that deal with specific times - and specific days - and specific numbers - that you have to choose to do - no matter what the cost is to change in your life - to completely fulfill God's requirements - in this season! So let me move to a close - and talk about specific times - days - and numbers!

1st - at 1 pm - Sunday July the 3rd - God said - He did something for us! Either we believe and stand on that - or we reject it as not being the truth! Will you walk by faith or will you walk by sight! And please remember - something can be done in a spiritual realm before you see it's manifestation in a natural realm! You can be healed of a disease in your spirit and totally cancel that healing by what you say - about how you feel - in the natural realm! God said - On July the 3rd - at 1 pm - that He shifted every circumstance in your life - that He shifted every hinderance - every blockage - obstruction - or debt! God said - I've fixed it in the Spirit! And when you get home - everything will be shifted! Who's report do you believe? Are you prepared to stand on that?

2nd - God said - we have to come 15 minutes early before service starts on the Lord's Day or at 9:45 am - Why - to get into another mindset so we can create a new sound and create a new intensity of celebration! That is His requirement on His day - will you submit or rebel! Will you obey willingly - or grudgingly? Or - Will you just hear it and not do it - Or - will you do it? Do you realize - that some of His other requirements cannot ever be done by you if you do not do this requirement of showing up by 9:45 am on Sundays? What requirements? Creating a new sound of praise creating an intensity of celebration and going into a higher dimension of worship! How can that happen corporately - if - you're not there to do it?

3rd - To Fast - from 6 am - to 6 pm - on Saturdays - for revival - not for other things - just for revival! But Saturday is my day to do what I want to do! I'm sorry but again this is God's requirement for this Season - it's not my requirement! 4th - to Pray for revival - individually every day and to Pray for revival at 8 am on Saturday's - at Heaven's Gate - corporately! But

I sleep in on Saturday's that's not a good time for me! I have other obligations what about my children? Well - you could always bring them and teach them how to pray! And make this a family thing!

So - will you obey or will you be a lawless and disobedient rebel! Church history clearly shows us that you cannot have revival without fasting and praying for it to break out! You have not because you ask not! And I would like to suggest to you that we will have to ask - seek - and knock for it to happen! And we want to first ask God for revival to break out for our teens - 13 to 19 years of age - and for our kids - 5 to 12 years of age in their Youth on Fire camp meeting - August 21<sup>st</sup> through August 28<sup>th</sup>! 1st John 5 - this is the confidence that we have in Him - if we ask - anything - ask how? According to His Will!

5<sup>th</sup> - October 11<sup>th</sup> 2022 - God wants us to remove this wall - this partition - Why? Because we are to be full and overflowing with people in this half of the main floor! But that will not happen unless we bring the people and I'm not talking about people who attend their own local churches but people who need to encounter God - and get born again! Again or we going to hear and not do it - or will be willing to do it? And will we allow the Holy Spirit to lead us in who we will ask and then be persistent and persuasive to bring them or get them to come! The harvest of souls is ripe for reaping at this set time - But the problem is - and has always been with the laborers - we need to pray for them - on Saturday's - to do the work of kingdom - Why? So that God will come to us in Revival! Because now is that set time! Do you believe - we can take this wall down by Oct. 11th? Then we have to be about the Father's business! To go out and get them - and bring them in so that God will do what only He can do and that is to convict them of their sins and to get re-born!

6th - God said on Jan. 2nd - that this Season was for at least 1 year and on July 3 God said it was for 6 months - one confirms the other! Our obedience to God's commands and requirements for us gives us what needs to be done in a set time! Will we be successful, or will we be a failure? And I

believe - what happens after this year will be determined by what we do - in the remainder of the 5 months of this year! 7th - God said - because it was our 67<sup>th</sup> anniversary that by July 10<sup>th</sup> of 2023 - there would be 67 people debt free in our gathering! 8<sup>th</sup> God said he wanted us as a local church to obtain 3 things from Him in this Season - to be Disease Free - to be Debt Free - and to be Destiny Free! 9<sup>th</sup> - that there were 3 bridges we have to cross - the implication was that we have crossed 2 of them - but the 3<sup>rd</sup> was the Shechem crossing - which had to do with our legacy that would impact future generations! And that this crossing would affect our families, our children and our grandkids! And that during this anniversary month - God is going to release curses - witchcraft - and spiritual bondages in this church and our lives! That confirmed what Bishop Ellis said God was going to do - at 1 pm - on July the 3<sup>rd</sup>!

And I close with 10<sup>th</sup> thing God spoke to us about a specific time period! He said - from July 3<sup>rd</sup> we have 181 days till the end of this December! 28 days in July, 31 days in August, 30 days in September, 31 days in October, 30 days in November, and 31 days in December - 181 days from July the 3<sup>rd</sup>! Now - there are 60 seconds in a minute! If you take the 181 days and divide it by 60 it's 3 and 1! 60 x times 3 - is 180 with 1 left! Bishop Ellis said God explained it to him this way 3 - Father - Son - and Holy Spirit - and there's 1 left - this represents the church! And God said to Bishop Ellis I have a plan - it's 3 in 1 - which is Father - Son - and Holy Spirit - and 1! And at 1 pm on July 3<sup>rd</sup> - God wanted Evangel - to give God - for 3 consecutive minutes uninterrupted - with no music - just nonstop praise and celebration! And that God was going to shift every circumstance at 1 pm - That God was going to shift every hinderance, every blockage that everything will be shifted by God for us! We did all of that - at 1 pm on July 3<sup>rd</sup> - and Bishop Ellis said specifically - that it was done in the Spirit! Do you believe it will be manifested in your life - in the natural? Will you believe and will you stand on it? The rest of the things that God spoke about - concerning specific times and numbers were personal prophecies to Apostle - by Bishop Ellis - Apostle Longobardo - Prophetess Norman - and Archbishop Williams.
